The quieter choice for a more peaceful soak.

Stratus silentjet™

The revolutionary SILENT whirlpool you can truly relax in.

- **Relaxing** - soak away aches and stress with 12 whirlpool jets, including 6 adjustable jets and 6 lumbar mini-jets to soothe tired backs
- **Stylish** - clean and simple design goes with any decor and enhances home value
- **Comfortable** - large bathing well features ergonomically shaped back support
- **Versatile** - can be installed undermount, drop-in, or in an alcove
- **Reliable** - Lifetime warranty on parts, 5 year warranty on labor

- **Quieter** - features SilentJet™ pump that virtually eliminates vibration and features 50% less noise and uses 50% less energy than a typical whirlpool.
